Nicer things just could not happen to this swell couple. Mr. and Mrs. John Kincaannon welcomed little John Allan in their home.

The baby boy was born on Sept. 13 in the San Pedro Hospital. Baby weighed seven pounds and four ounces at birth. Mother Phyllis taught the sixth grade at Seaside Elementary School last year.

Mrs. Ray Walker, of Reese Rd., held the meeting of Brownie Troop 380 in her home on Monday evening last. Happy to see a few mothers are beginning to take interest in Girl Scouting.

Tuffy, 13-year-old pet cocker spaniel, passed away quietly of bone cancer in his home at 5320 Doris Way.

The Jim McClunes, owners of the little black beauty, say they brought Tuffy from Hope, Ark., when he was just a puppy. According to an old wives' tale, every one year of human life is seven years to a dog or

**Local Woman Wins Fair Competition**

cat's life. That would make Tuffy approximately 91 years old.

Buz and Greg Varley have moved from their home on Doris Way to a new address in Madrona Square.

Did you get to the Seaside PTA Get-Acquainted Breakfast this Monday morning? Surprises were in store for all of us, as witness to fact—a lot of new faces in Seaside this year.

There is a group conference this Thursday night at the Seaside School.

Margaret Palmer, daughter of Mr. and Mrs. Robert Palmer, of 223 Paseo de Granada—and sister to little Lawrence Palmer who contacted polio several weeks ago, was stricken just about two weeks ago.

Margaret had been mother's helper since Larry's illness. There are three other children in the Palmer family. Letters and cards to either child will be deeply appreciated by family and friends.

Jim McClune, of 5320 Doris

Way, attended the teachers conference for Sunday School teachers at the Presbyterian Camping Grounds at Pacific Palisades on Saturday and Sunday last.

Another baby arrived to the Harold Longs, of Zakon Rd. It was a girl this time, just what Rusty hoped for. Baby, Kimberly Kay, weighed in at the Hawthorne Hospital at 10 lbs., 11½ oz. on Sept. 23. Kay joins brothers, Ricky and Tony, who are both very proud little guys.

Legion Names Edith White to Committee

Edith White, of 1543 W. 221st St., has been appointed vice chairman of the Hospital and Patients' Welfare Advisory Board of the American Legion, State of California, to serve a three-year term, State Commander Joseph M. Farber announced Monday.

The Hospital and Patients' Welfare Advisory Board prepares recommendations for its division of the rehabilitation program, and generally advises the Rehabilitation Commission on matters pertaining to hospital and patients' welfare.

A major portion of the work done by the advisory board consists of providing entertainment and recreational programs at the various Veterans Administration Hospitals, and work on a hospital cigarette fund, coordinating the efforts of the various posts of the American Legion which provide cigarettes for the patients in the VA hospitals.

The Advisory Board also coordinates the posts in their weekly or monthly visitations to the patients in the VA hospitals and sees that these patients are adequately supplied with the necessities they need. Its work is not confined only to members of the American Legion, however.
